16  
17 This matter presently is scheduled for a status conference on 10 October 2014. Mr  
18 Lindberg is out of custody and resides in Vacaville, California, with his wife and children. He  
19 does not have a car available to him at all times and presently is unemployed. Traveling to court  
20 appearances here in the Northern District for non-substantive hearings would work a financial  
21 hardship.

22 The government has provided discovery, including documents relating to the wiretap  
23 application and master affidavit for the various search warrants issued in this case, and, more  
24 recently, surveillance and other investigative reports.

25 Because the status conference before this Court will likely only include matters relating to  
26 the scope of remaining discovery, and to scheduling the next appearance, IT IS STIPUATED

1 AND AGREED that Mr Lindberg's appearance at the status conference on 10 October 2014 is  
2 WAIVED.
